Celebrating our ENC Sheroes

Join our virtual event for an inspiring panel discussion featuring four sheores from each of the states in the East North Central region and moderated by our Shero of the year. They will share their diverse backgrounds, professions, perspectives and personal stories. The session will also include interactive breakout discussions led by four of our other esteemed 2020 sheroes. Don't miss this opportunity to connect, learn and share.

Wednesday, January 27, 2021, 12pm EST

Hosted by USGBC's East North Central Communities
